

Dear RCSD Family:

I am very excited to offer you the opportunity to have our area churches praying for you each day through a program known as Adopt-A-Cop. This national prayer ministry initiative was suggested to me by a thoughtful citizen who knows how tough it is to work in law enforcement in this day and time.

Under the Adopt-A-Cop concept, church members would pray daily for you and your family for protection, safety, wisdom, discernment, and a quality family life. This is strictly a voluntary program, so whether or not you participate is solely up to you. If you do choose to participate, the only information we would provide the church on your behalf is your name. In turn, we will let you know what church has adopted you.

Our RCSD Chaplains have been lining up churches willing to participate with us in the Adopt-A-Cop program. If you would like to be a part of this ministry, please fill out the form below and turn it in to your Division Commander. Our plans are to have the Adopt-A-Cop ministry up-and-running by July 1st. For more information on the program, you can also go to the website at www.Adopt-a-Cop.org.

Sincerely,

Sheriff Leon Lott
