Percent change cannot be calculated when the starting number is 0. This is denoted by N/C (in black) when both the starting number and the ending number are 0. This is denoted by N/C (in red) when the starting number is 0 and the ending number is greater than 0 to show a numerical increase that cannot be calculated as a percent.

Data is current as of September 13, 2017 and is subject to change daily.
